Gospel show is slated here

The Gospel Extravaganza sponsored by the Appomattox County Assembly will take place at the Appomattox County High School Friday, Oct. 8, beginning at 8 p.m.

Featured on the program will be the Soul Stirrers of Chicago, the Gospel Persuaders of Danville, the Royal Supremes of Farmville, the Golden Trumpeteers of Appomattox, and the Jets Unlimited of Appomattox.

Tickets for this event can be purchased at the following places: Whites Auto in Triangle Plaza, Mrs. Dorothy Stevens (352-7963), Annie Humble (352-7496), or from any member of the Assembly.

The tickets are $5 in advance, $6 at the door, and $4 for children, age 12 or under.

The Assembly wished to thank all those who supported the annual Rally. Proceeds from the upcoming Gospel Extravaganza, as well as from the sale of food at the upcoming railroad festival will be used to begin the Appomattox Assembly's Commuter Program.

The Commuter Program will be free to the indigent and handicapped.

The Assembly has approximately 30 bushels of culled sweet potatoes that will be distributed to those persons recommended by the Department of Social Services. Mrs. Virginia Babcock of the Department will contact those who are eligible, and there is a limit of one bushel per person. Mrs. Babcock will provide directions to the distribution point, and the proper time to pick up the potatoes. The potato distribution begins this week.

Celebration set

Cartersville Baptist Church will hold its 100th anniversary and homecoming celebration this Sunday, Oct. 3.

Sunday school will begin at 10 a.m., followed by the anniversary worship service with the Rev. Harold Parker preaching. A covered dish dinner will follow at 12:45 p.m. A service of "Praise and Remembrance" will begin at 2 p.m.

Pastor of the church, the Rev. Paul Balthaser, used to pastor in the Appomattox area before going to Cartersville. He invites his friends in this area to join in the celebration at Cartersville this Sunday.

Revival scheduled

There will be a revival at Elon Baptist Church in Pamplin Oct. 3-7, beginning at 7:30 p.m. each night except Sunday, when the service will begin at 7 p.m. The Rocks Quartet will sing for half an hour that Sunday night.

Guest minister for this revival will be the Rev. Dr. Ronald Dillon of Parkersburg, West Virginia.

There will be special music at each service, and a nursery will be provided.

The public is cordially invited to attend this revival.

Revival underway

Revival services will continue at the Church of God of Prophecy on Rte. 1010 in Appomattox until Oct. 3.

Anita Jones is evangelist for the revival services, which are held each night at 7:30 p.m. There is special singing each night at the services, as well.

Pastor of the Church of God of Prophecy is the Rev. Allen Hawley.

Vera plans revival

Revival services will begin at the Vera Church of God on Sunday, October 3 and continue through October 10 with services beginning at 7:30 each evening.

The Reverend Dale Oaks, pastor of the church, will be bringing the message each evening.

VA benefits cited

Veterans and their dependents residing in Appomattox County received another record amount of financial benefits from the Veterans Administration during fiscal year 1981 which ended September 30.

According to Dr. James W. Holsinger, Dir., VAMC, Richmond, VA, VA expenditures benefiting Appomattox County veterans and dependents totaled more than $752,414.

A major portion of the expenditures, $575,085, was provided in the form of compensation and pension for veterans and dependents, Dr. Holsinger said.

Veterans and dependents receiving readjustment and vocational rehabilitation training, which includes all educational benefits under the GI Bill, accounted for more than $123,068 in VA benefits.

VA-administered insurance programs also provided financial benefits to Appomattox County veterans in the sum of $54,261.

For the entire state of Virginia, VA expended $627,725,726, which includes $149,612,333 for operating its regional office and hospitals in Roanoke, Hampton, Richmond and Salem.

CPR course planned at AVRS building

A public CPR course will be offered Oct. 19 and 20 at the Appomattox County Rescue Squad building.

Anyone interested in taking this course is asked to pre-register with Mr. Ray Noble at the Traveler's Inn Motel so that the class organizers can provide an adequate number of books, instructors and manikins.

Upon completion of the two-night course, those who pass the test will receive a certified CPR card.

Stratton honored

David Stratton of Appomattox has been nominated to receive the American Farmer Degree, highest degree presented by the National Future Farmers of America (FFA) Organization.

David was nominated for the degree by the Virginia FFA Association. The nomination was approved at a recent meeting of the National FFA Board of Directors in Alexandria, Virginia, virtually assuring the awarding of the degree. One of 751 FFA members nominated for the America Farmer Degree, David will receive the degree in a special ceremony on Thursday, November 11, pending a final vote of 120 student delegates representing nearly half a million FFA members.

Travel awards will be presented to American Farmer Degree recipients to offset their travel expenses to the National FFA Convention in Kansas City. At the convention each American Farmer Degree recipient will be presented a gold key and certificate. The travel awards and gold keys are co-sponsored by J T Case, A Tenneco Company, Racine, Wisconsin; Federal Land Banks, Denver, Colorado; the Chevrolet Division, General Motors Corporation, Warren, Michigan; Pioneer Hi-Bred International, Inc., Des Moines, Iowa; Production Credit Associations, Denver, Colorado, and Na-Churs Plant Food Company, Marion, Ohio.

The American Farmer Degree is much sought after because it is only presented to approximately one member in 600 of the 475,923 member organization. It is presented only by the National FFA Organization to members who have demonstrated exceptional agricultural and leadership achievements.

David is the son of Mr. and Mrs. John H. Stratton of Appomattox and is currently a senior at Virginia Tech majoring in Agricultural Education.

He earned the American Farmer Degree on the basis of work experience he received working for W. A. Stratton Construction Co., Inc.

David's high school vocational agriculture instructor and FFA advisor is B. K. Waddell of Appomattox.

Band boosters to meet

The regular meeting of the Appomattox County High School Band Boosters will be held Monday, October 4, 1982, at 7:30 p.m. in the music room at the high school.

All those interested in joining the Boosters are invited to attend.

Drinkard scholarship is set up at Ferrum

FERRUM - The family and friends of the late Mrs. Robert Gardner Drinkard of Appomattox have established the Robert Gardner Drinkard Endowed Scholarship at Ferrum College.

"It is our desire to create a lasting memorial to Mrs. Drinkard by starting this fund to help needy and deserving students at Ferrum College who are planning careers in Christian service," said a Drinkard family member. The family hopes sufficient funds can be raised by December 25, 1985, the 20th anniversary of Mrs. Drinkard's death.

Mrs. Drinkard was a well-known beautician in Appomattox. Her son, a 1977 Ferrum graduate, is associate pastor of Fort Hill United Methodist Church in Lynchburg.

Friends who wish to honor Mrs. Drinkard in this way may send gifts to Ferrum College, marking the gifts for the Roberta Gardner Drinkard Endowed Scholarship. Please make checks payable to Ferrum College and mail to the Office of College Relations, Ferrum College, Ferrum, Va. 24088.

Ferrum College is a four-year, United Methodist related college located in Ferrum, 35 miles from Roanoke in Southwest Virginia. Through the years, many Appomattox County students have attended Ferrum. The college offers four associate degree programs and two bachelor's degrees in 12 human service fields.

Appomattox firemen to compete Oct. 3

Firemen from Campbell, Charlotte, Appomattox & Halifax Counties will get a chance to see who's the best when they compete in the Brookneal Octoberfest sponsored Volunteer Firemen's competition, Saturday, October 3.

Firemen will compete for trophies for the best equipped trucks and the best appearing trucks, and again in a series of skills requiring stringent rules.

The festivities Saturday will begin with a parade of fire trucks, antique cars, beauty queens and clowns. Step-off time is 10 a.m. The parade will be followed by a bandfest featuring local bluegrass and country talent in Stony Ridge, Two Dukes and The Duchess and The Local Exchange, to be held on the town's old ball park on U.S. 501 South. The firemen's competition will also be held on the ballpark and will begin at 1 p.m.

Also during the festivities, there will be an arts and crafts show and sales and plenty of concessions offering food and drink.

Oktoberfest is being sponsored by the Brookneal Chamber of Commerce.

Four named at SEC meeting

Members of the Southside Electric Cooperative in their 45th annual meeting at Crewe renamed four directors up for election to the 10-man Board, and the Board at its reorganizational meeting renamed the four officers to serve for the next 12 months.

They also approved more than a dozen by-law changes, some resulting from requests from members and all presented to the membership by the Board of Directors for approval. Only one suggested by-law change was defeated.

Calvin P. Carter, of Campbell; Thomas N. Dillon, of Prince Edward; Foster Reynolds, of Charlotte; and Louis P. Turpin, of Bedford County, were renamed to the Board for 3-year terms, from their respective SEC Districts.

J. Woodrow Martin, of Blackstone, was renamed president, for a 1-year term. Also renamed to office on the Board for 1-year terms were Foster Reynolds, Vice-president; Calvin P. Carter, secretary; and Thomas C. Barnes, of Kenbridge, treasurer.

Other Directors on the 10-man Board include Rennie W. Bridgman, of Dinwiddie County; William A. Kantzler, of Amelia County; John L. Lewis III, of Powhatan County; and Reuben Hicks, of Brunswick County.

Judge Thomas P. Harwood Jr., of the Virginia State Corporation Commission, was the guest speaker.

Following a report to the membership by the president, Mr. Martin, and the treasurer, Mr. Barnes, the master of ceremonies, Charles C. Jones, Jr., of Richmond, the executive vice-president of the Virginia, Maryland, and Delaware Association of Electric Cooperative, introduced the new SEC General Manager, James C. Anderson, who comes to Southside from South Carolina.

Gas use falls during July

The State Office of Emergency and Energy Services (OEES) motor fuel tally for July, 1982 shows that gasoline consumption declined in Virginia while diesel and gasohol sales increased when compared with July 1981 consumption totals.

This past July, 225,159,000 gallons of gasoline were sold in the state, or 1.0 percent less than the 227,476,000 gallons sold in July of 1981.

July diesel sales in Virginia increased by 412,000 gallons. This July, 29,412,000 gallons of diesel were sold in the Commonwealth, representing a 1.4 percent increase over the 29,000,000 gallons sold in July, 1981.

Virginia's gasohol totals during July of 1982 were set at 3,323,000 gallons, or 2,965,000 gallons more than the 358,000 gallons sold during July of 1981. A new accounting system which first separated gasohol from the state's monthly gasoline totals in July of 1981 and the greater availability of Virginia-produced ethanol are attributed to the large increase in gasohol sales.

Virginia's overall motor fuel use during July increased by 1,060,000 gallons, or 0.4 percent. During July, 1982, 257,894,000 gallons of gasoline, diesel and gasohol were sold in the state. During July, 1981, 256,834,000 gallons of motor fuel were consumed.

The monthly OEES motor fuel count is derived from sales records supplied by the Division of Motor Vehicles.

Letter

FBLA reaches out

Editor:

This year we have established a new committee in F.B.L.A. - Public Relations. Our organization is an important one at A.C.H.S. and we need to publicize our program more.

We want to inform the community that F.B.L.A. is alive and well in Appomattox!

During the month of September we have promoted F.B.L.A. in the community. Those of you who were able to attend the Five County Fair in Farmville this month would have seen that we were busy putting together an exhibit for display. The exhibit won first place in competition.

During the month of October we are planning to participate in Homecoming and Railroad Day. We are also trying something new this year. We are selling donuts before school to raise money to help pay members' dues.

We will have a busy year and one we hope all of you will be a part of.

Sincerely,
Cindy Covington
FBLA Reporter

It May Be Cheaper To Build Than To Buy

Lowe's Energy Efficient Homes (Not Pre-Fabs) Can Save You Money

As a major supplier to homebuilders throughout the East, Lowe's carries virtually all the materials needed to build a home — from lumber and lighting to windows and carpet. And we've incorporated all these quality products into a series of energy efficient home "packages" that have been well-received by professional homebuilders and consumers alike. Below are three of our Low-E (Low Energy) designs. Just take a quick tour.

Here's How

Our Low-E® Package System Takes The Hassle Out Of Home Building!

1 Under our program, you furnish the land, labor and foundation. We supply everything else. The lumber. Roofing. Siding. Doors & Windows. Plumbing. Wiring. Light Fixtures. Carpeting. Paint. All for one low price. So everything "fits" together beautifully into one well-coordinated home package.

2 Our price is guaranteed for 90 days. And in today's fluctuating commodities market, that feature alone could save you money. 90 days is usually plenty of time for materials to be delivered. So once you've picked out your paint, flooring, tight fixtures, etc., the price is "locked in."

3 During actual construction, we deliver materials to the site in related shipments — not all at once. This will save construction (and labor) time, and reduces the chance of weather damage or pilferage. Everything is coordinated as much as possible, so worries are as small as possible.

4 Our Low-E homes are designed for maximum energy savings. With thick insulation in ceiling, walls & floor. Extensive caulking. Double-pane insulating windows. Heat pump. Attic venting system. And more. So you'll save money each month on utilities — which can make mortgage payments much easier.

5 We have a trained specialist to guide you through the entire homebuilding process. He'll help you choose the right floor plan for your needs. And he'll be there to skillfully coordinate & oversee the materials portion of your home's construction from start to finish. In other words, he'll be on your side.
